

VISUAL 01-F: Costs under control – less fuel consumption, less downtime

VISUAL 02-B: Legally safe – driving times and rest periods are automatically recorded

VISUAL 03: Better planning – optimal use of drivers also results in the best possible use of vehicles

VISUAL 04-A: Satisfied employees – communication with the office is much easier

VISUAL 05: More transparency – the dispatcher always knows all the current information on the vehicles and trailers
